NAA Sustainable Living Innovation Silver Award – Grace Woods, Austin Texas

Grace Woods wins the Silver Sustainable Living Innovation Award.

The National Apartment Association (NAA) announced that Grace Woods has met the criteria for this award. By earning 10-14 points based on a rigorous points system that evaluates sustainability, financial performance, innovation, and social impact Grace Woods has met the 3rd highest tier of achievement.

The Silver Sustainable Living Innovation Award represents Grace Wood's commitment to innovative, energy-reducing and energy-savings initiatives.

The precious price will be handed over to the Dayrise Residential management team in an award ceremony this coming November.
